EXPERIENCE

May 2021 - Current
Senior Network Engineer PT. IP Network Solusindo | Jakarta, Indonesia

- **Kementerian ATR/BPN**
- *Manage Service MX104, EX4600, EX4300*
- *EBGP Implementation on core router (MX104)*
- *Perform upgrade OS on core and other switches (EX4600 & EX4300)*
- **BRI**
- *Manage Service MX204 & MX240 devices*
- *Deploying core network infrastructure with MPLS L3VPN (MX240)*
- *Deploying core EVPN-MPLS Multihoming Multisite (MX240)*
- *Responsible for making LLD, MOP documents*
- **BRI Syariah**
- *SRX 1500 device integration*
- **Permata Bank**
- *Manage Service QFX5110*
- *Deploying data center infrastructure implementation with EVPN-VXLAN (QFX5110)*
- **PPATK**
- *Manage Service Core Switch (EX9204) & Router (MX150)*
- **Adira Finance**
- *Manage Service EX8200, SRX1500, and QFX10002 devices*
- **PERURI**
- *Manage Service Core Switch DC & DRC (EX9204 & EX9208)*
- **BMKG**
- *Revitalization LAN network at the head office (CCR2116 & SLX9150)*
- **KEMENKEU PUSINTEK**
- *Manage Service EX3400, EX4600, EX9208, SRX345, MX204*
- *Perform an OS upgrade on all managed devices*
- **BANK RAYA**
- *Manage Service EX4600, SRX300, SRX380, SRX1500*
- *Deploying DRC network*
- **BPJS**
- *Manage Service Router DC & DRC (MX204)*

June 2020 - Current
Network Trainer PT. Integrasi Data Nusantara (IDN.ID) | Jakarta

- Responsible for teaching JNCIA-Junos, and JNCIP-SP training classes.

March 2021 - April 2021
Network Engineer (Project) PT. Plasindo Lestari | Karawang, Indonesia

- Migration Mikrotik RB3011 with Mikrotik CCR1009

November 2020 - December 2020
Network Engineer (Project) BPKP Bogor | Bogor, Indonesia

- Network Assessment & Topology Mapping

November 2020 - December 2020
Network Engineer (Project) PT. Max Interactives Technologies (Zipay) | Jakarta, Indonesia

- Implement Security Zones, Security Policies and NAT Configuration in Juniper SSG Series

January 2020 - February 2020
Network Engineer (Project) PT. Metropolitan Retailmart | Jakarta, Indonesia

- Installing Hotspot Login using Social Media on Mikrotik & CentOS

December 2019 - December 2019
Network Engineer (Project) PT. COSL Indo | Jakarta, Indonesia

- Troubleshoot IPSec VPN connectivity issues on Juniper SRX

October 2019 - November 2019
Network Engineer (Project) PT. Antam | Jakarta, Indonesia

- Provide network assessment & troubleshooting on Cisco, Huawei, MikroTik devices

EDUCATION

Current
Bachelor Degree | Informatic Engineering
STIKOM CKI, Jakarta

2020
(Non-formal) | Network Engineering
IDN Academy, Jakarta

- Assistant Trainer at ID-Networkers

2019
High School | Computer & Network Engineering
SMK Negeri 1 Gombong, Kebumen

- Internship Student at PT.Satata Neka Tama (March - April 2018)
- 3rd Champion of Techcomfest Network Competition (February 2019)
- 1st Champion of Speech Contest in English Festival Muhammadiyah University of Purworejo (March 2019)

CORE QUALIFICATIONS / SKILL

Juniper

- Junos Fundamental
- Static Routing
- RIP
- OSPF
- IS-IS
- Routing Policy
- Firewall
- BGP
- MPLS
- LDP
- RSVP
- MPLS L2VPN
- MPLS L3VPN
- EVPN-VXLAN
- EVPN-MPLS
- MC-LAG
- VRRP
- STP
- DHCP
- Junos Security Object
- Security Policies
- NAT
- IP-Sec
- Class of Services

Cisco

- Network Fundamental
- VLAN
- DHCP
- DHCP Relay
- DHCP Snooping
- STP
- Etherchannel
- VTP
- Static Routing
- RIP
- EIGRP
- OSPF
- BGP
- ACL
- NAT
- GRE Tunnel
- FHRP (HSRP,VRRP,GLBP)

MikroTik

- Preconfig
- Network Management
- VLAN
- DHCP
- Firewall
- Wireless
- CAPsMAN
- Hotspot
- QoS
- Load-Balance
- Fail Over
- USERMAN
- Tunneling

- IPSec
- Bridging
- Static Routing
- RIP
- OSPF
- BGP
- MPLS
